What would you change if you knew your church would cease to exist in 30 years?

Table Exercise

Adam & Noah

Genesis 1:28 and 9:7

What does it mean to be fruitful?

What does it mean to multiply?

How does that command get fulfilled?

How does it NOT get fulfilled?

Two Criteria for Reproduction

1. Capacity to Reproduce
2. Move from Latent to Active

Inanimate Objects vs. People

Truths for Reproduction

1. Not all addition (growth) produces reproduction, but all reproduction produces addition (growth)
2. The right kind of addition is the building block of reproduction, and reproduction is the building block of multiplication
3. Wrong Addition = No Multiplication

How you add makes all the difference!

Examples
